

# Future of work : Technology and informal workforce

**Dr. Gayathri Vasudevan**

Co-Founder & CEO  
LabourNet Services  
India Private Limited

Dr. Gayathri Vasudevan, CEO of LabourNet Services, is a doctorate in Development Studies with more than 23 years of consistent work for the less privileged in India. Primarily a research scholar on gender issues. She was cited as one of the top 50 women in business by Business Today magazine in the year 2017 and Entrepreneur of the year in social business category by the Forbes India in 2018. In 1999, Dr. Gayathri joined the International Labour Organization (ILO), a United Nations agency dealing with labour issues, with an intention to make a difference for the poverty-stricken nations of the world. She co-founded LabourNet in 2006 with a vision to enable livelihoods and enhance quality of life through Education, Employability and Entrepreneurship. Presently she is a Member of Rashtriya Mahila Khosh (RMK), National Skills Committee and National Sports Committee. Advisor to NSRCEL cell at IIMB, and also the member of Board of Governors at Periyar Technology Business Incubator.
