

CENTRE FOR SOCIETY AND POLICY

in association with

DST – CENTRE FOR POLICY RESEARCH

presents

Gender Inclusion in India's S&T Ecosystem: Challenges, Opportunities and Policy Interventions

The talk will briefly elucidate the gender differential in science and technology ecosystem starting from education to employment. There has been healthy progress in improving gender parity in some sectors particularly in educational fields however, gender parity in S & T workforce has been a matter of concern. Further, the new initiatives and funding opportunities from the DST will also be discussed.

Dr. SANJAY MISHRA

Advisor/ Head (KIRAN),
Department of Science and
Technology, Govt. of India

Dr. Sanjay Mishra is serving as Advisor and Head of KIRAN division in the Department of Science and Technology (DST), Government of India. He also looks after INSPIRE MANAK program – a flagship scheme to reward innovative ideas among school students. Before joining DST, he held various academic positions including professorship in Shiv Nadar University (Delhi, India), Queensland University of Technology (Brisbane, Australia), and Institute of Engineering & Technology (Lucknow, India). He pursued his doctoral research at the University of Oxford (1999) and postdoctoral research at The Cleveland Clinic Foundation, USA.
