CENTRE FOR SOCIETY AND POLICY IISc Open Day 2025

Join us at the Centre for Society and Policy (CSP), IISc, for Open Day 2025! Discover how science, technology, and policy shape society through engaging and interactive activities. Don't miss out on the fun. Here's a sneak peek at what we have lined up for you!

CYBERFORTRESS: BLOCK THE HACK

Unravel cybersecurity mysteries—solve clues, spot patterns, and build a strong defense in a jigsaw puzzle!

CYBER SNAKES AND POLICY LADDERS

A dynamic spin on Snakes & Ladders—progress or fall back based on your knowledge of sustainability, cybersecurity, power grids, and everyday economics!

UNPUZZLING UTOPIA

Build a sustainable and inclusive community! Connect the dots, identify key elements, and complete the puzzle for a better tomorrow.

BUZZING INSIGHTS: HONEY BEE BEHAVIORAL STUDY DEMONSTRATION

Witness live demonstrations of behavioral studies on honey bee species, including *Apis cerana* and *Apis florea*, highlighting their ecological significance.

ECHOES OF TIME: THE STORY OF CSP'S HOME

This video presentation explores the heritage of the building housing the Centre for Society and Policy and the timeless legacy of IISc.

DECODING EVERYDAY ECONOMICS

A simple and practical glimpse into how economics shapes your daily life!
